Denise Durel, President and CEO of United Way of Southwest Louisiana, reading “Rainbow Fish” to Pre-k children at Pearl Watson Elementary School. Each child was just given a Literacy Kit containing the book.
I have enjoyed my time as Chairman of the Board and continue to be honored that I was given the opportunity. My time was spent guiding decisions and viewing the results. I state with confidence that our gifts are used efficiently for community members in need. We provided life-changing services through our Initiatives and partner agencies.

The hard work of many resulted in a brighter future for adults and children in Southwest Louisiana. We were able to reach individuals in the furthest reaches of our communities. We were delivering life-altering services and hope to those who were not hopeful.

I know United Way of Southwest Louisiana is creating a future for everyone in this community though. When all of your neighbors have a chance to be healthy and prosperous, your house benefits also. We are setting an example for others that building a stronger, happier future for our children and grandchildren ensures growth and prosperity for everyone.

Thank you again for allowing me a unique vantage point for viewing the positive impact we make!

"I will continue to support and encourage United Way of Southwest Louisiana because only when our whole community is thriving are we a whole community."

United Way of Southwest Louisiana is an authority on recognizing issues and mobilizing the resources to target them. The community volunteers that have tirelessly worked as board members, chairpersons and run employee campaigns combined with your gifts have made this possible.

"Thank you for letting me be a part of it!"

"Everyone in this community should be as proud as we are of every successful day serving individuals and families in Southwest Louisiana."

I know I say this each year, but it is a fact. We have had another incredibly successful year of serving Southwest Louisiana. We assisted with meals, sheltered the homeless, and so much more, helping more than 109,000 individuals in our five parishes.

This success is due to the collective impact of everyone’s gift no matter how large or small. This success belongs to everyone who gave time, financial resources or guidance. Every gift combined into one during the campaign season allowed United Way to address the need for those living below the threshold where income meets basic necessities.

I am extremely proud to be a part of this community. As an organization, United Way of Southwest Louisiana regularly assesses the needs of the community. There are always those in need and there is no shortage of ideas to help address the issues. As individuals, we realize that some of us need help and the community continues to contribute their money, volunteer their time, and provide ideas to support the citizens of Southwest Louisiana.

In a time where society promotes an inflated sense of self, it is so wonderful to see camaraderie and kindness are still alive in our community. Thank you for your dedication to United Way of Southwest Louisiana and its mission. Because of each of you, we are able to reach further into our community, increase our impact, and change more lives.

“I WITNESSED FIRSTHAND THE HARD WORK AND DEDICATION OF THE VOLUNTEERS WHO MADE THIS CAMPAIGN SUCCESSFUL. THE LEVEL OF ENTHUSIASM WAS CONTAGIOUS.”
