Southwest Louisiana

2022 COMMUNITY INVESTMENT

At United Way of Southwest Louisiana, we maximize the impact of our donors by focusing on four Pillars: Education, Economic Mobility, Health and Basic Needs—the building blocks of opportunity.

We lead, create and invest in Initiatives and grants that improve access to and opportunity in these interconnected, interdependent focus areas.

Together with our committed change-makers, we work to ensure more students graduate prepared for success, more families are stable financially and more neighbors are leading healthier lives.

By the numbers, our leadership directly impacted 1.1 million individuals in your community since the pandemic began.
