## UNITED WAY OF SOUTHWEST LOUISIANA- WOMEN UNITED

Women United Southwest Louisiana is a diverse community of women leaders from the five-parish area. Their common beliefs are education transforms lives and United Way is the tool used to accomplish the transformation. These philanthropic women believe in rolling up their sleeves to help families make life-long positive changes.

To join this group of women leaders in meaningful community action, make a minimum undesignated gift of \$1,000 and check the box on the front of this form.

*Women United Southwest Louisiana members went to the Louisiana state capitol on May 10 to urge legislators to make a historic investment in early childhood care and education for working parents across the state. They met with the SWLA delegation and joined the SWLA Economic Development Alliance for a briefing by Governor John Bel Edwards and other elected officials on items important to the region.*
